Worksheet – Adverbs

Some adverbs give more information about the way something is done. Most of these words end in **-ly** and they can be placed before or after the verb. If the adjective word ends with a **-y** we need to remove the **-y** and add **-ily** e.g. heavy becomes heavily.

Pingu quickly ran to the store.

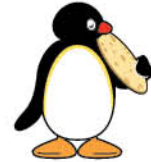

Pinga drank her milk quickly.

Look at the sentences 1-5 and change the adjective into an adverb to complete each sentence.

1. Pingu eats the pancake _____ (slow)

2. Pinga plays _____ on the floor. (nice)

3. Daddy sleeps _____ on the sofa. (quiet)

4. Robby swims _____ to catch the crab. (easy)

5. Mommy _____ makes breakfast for the family. (happy)
